

## Level 2: Race/Outdoor Event Protocol

### Communications

- All communications on the day of the event will be through **WhatsApp**
- Every school will have a representative who will receive and spread updated information. Please **text** 027 211 8332 with your **name** and **coaching provider**

### Contact Tracing

#### *Registration*

- Mandatory everyone must scan in with Covid Tracer App, there will be a drive-in station set up for vehicles to scan before they park their car
- No on the day registration.

#### *Lift Tickets*

- A list of participants requiring a pass with a payment method will need to be given to [race@coronetpeak.co.nz](mailto:race@coronetpeak.co.nz) by 9am the day **before** the event . 1 coach representative is to pick up pass at Guest Services in the morning of the event
- Bibs will be given to **Coaches** along with a start list, it is very important to distribute the bib number to the participant on the list given. Bibs will be **distributed in the start area prior to inspection.**

### Social Distancing Measures

- **Masks are mandatory** to load the lift, in the start and spectator area and during awards.
- To stagger the starts there will be designated areas at the top of Alta Blue, with a sign of your coaching provider, please follow signage and stay in your bubble
  - Please know it is up to the coaches to manage competitors within your bubbles and areas to have them ready to go in start order

- The start list is how we keep the flow of participants moving through the waiting areas, this will be sent to everyone involved in the race over the WhatsApp group
- No set lunch time, athletes encouraged to bring snacks and bags to their school area, if food would like to be purchased it can, **after** the entirety of the race and abiding by the base building rules
- In case of accident fall on slope; equipment can be retrieved and brought to competitor, competitor responsible for moving off to a safe zone off the course and putting equipment back on, they will wait until course crew advises a safe time to go down the side of the course, not through the finish
- Once someone has stopped their momentum on the course, they must get off the course and are unable to finish their race
- **Awards** we ask that only athletes and coaches attend the prize giving, **masks mandatory**, awards will be outside at the top of Alta Blue off to the right.

### Parents

- Please respect building restrictions, 50 people max.
- Take away only.
- In seated areas you must stay in your bubble and not mingle with other tables.
- No alcohol will be served.
- No bags or changing into gear inside, use your car as a change room
- You will be asked to leave if you are staying indoors the whole day. Save purchased snacks will after the event.
