### Short biography outlining your interest and experience in Adaptive Snow Sports

I first started skiing as an adaptive skier at Mt Ruapehu at age 7 and 30 years on I race to the snow

whenever possible. For many years I sat on the Auckland disabled snow sports committee,

am a qualified ski instructor and represented New Zealand at the 2010 Winter Paralympics in Vancouver.

Needless to say, I love being involved with snowsports on all levels and love to seeing Kiwi's of all

abilities take up what I think is the best sport.

**What skills and expertise do you believe you can bring to the Adaptive Committee?**

As a skier who has represented New Zealand at the highest level I understand the journey from  
end to end and believe it is important to be able to give back. I have a qualification in Communications,  
I have sat on various boards including, Parafed Auckland and other community groups.  
The experience both practical and theoretical places me in a strong position to promote snowsports  
on all levels.

I have read and accept the conditions of office in Appendix 1.
