

Selection Criteria

Youth International Alpine Competitions 2025/2026

1. Definitions

NZ Alpine Youth Squad: New Zealand Youth athletes (U14, U16) selected and ranked per the criteria in this document

NZ Youth Reserve Athletes: New Zealand Youth athletes (U14, U16) that were not selected for the Youth Squad but still wishing to compete in a FIS Children's race

FIS Children's races (FIS CHI): Sanctioned international alpine ski races (by International Ski and Snowboard Federation) for U14 and U16 athletes, selection and entry for races can only be completed by the NSA (eg: Snow Sports NZ)

Regional races (international): local, regional and country races that Kiwi athletes can enter through local coaching and/or independently of the NSA

Priority Event: NZ Alpine Youth Squad athletes will be asked to rank **two events** they would like to compete at. These events will be prioritised when allocating SSNZ quota positions.

World Cup Points: See Section 10.1 of [Rules for the FIS Alpine Ski World Cup \(November 2024\)](#) for scoring.

2. General Principle

Selection for the NZ Alpine Youth Squad is a privilege and an opportunity for our young athletes to compete on an international stage at FIS Children's races and experience high levels of competition to help prepare them for FIS racing.

Athletes training and racing in the Northern Hemisphere following New Zealand's domestic season are encouraged to attend international regional races if their training plan and support allows.

3. Process and Timing

A Snow Sports NZ Alpine Youth selection committee (nominated by the ATC and approved by the Alpine sub-committee of the Board) will select athletes for the NZ Alpine Youth Squad to represent New Zealand at FIS Youth International Alpine Competitions. The selection meeting will be completed within 5 working days of October 3rd 2025, and selected athletes will be offered a place on the NZ Alpine Youth Squad by 10 October 2025. Athletes that are not selected for the Youth Squad will have the opportunity to join the Youth Reserve list if they meet the eligibility requirements noted in Section 6 and/or have provided the documentation for Exceptional circumstances required in Section 8.4.

Upon selection, athletes must then complete Expression of Interest (EOI) forms indicating which 2 events they will be targeting, on or before November 15th.

4. Age Limits

As per [ICR 608.3 and 607.3](#)

5. Quota Management

1. Quota regulations for events as per [ICR 608.4](#)
2. Athletes in each age group for both boys and girls, who meet selection criteria, will be ranked and given the opportunity to identify 2 FIS CHI events they would like to attend by ranking in an EOI, see definition: priority events.
3. Attendance at Youth International Alpine Competitions will be confirmed in accordance with the quota regulations above. If a higher ranked athlete is unable to attend an event, a place will be offered to the next available athlete from the ranked list.
 - Entry for FIS CHI events will be limited to 2 events per athlete regardless of quota availability.
4. Gender registration for the quota in each category will be managed per ICR 608.4.1 where there is a shortfall in one gender. Otherwise, SSNZ will seek to apply a gender balance in each category where possible.

6. Eligibility

Athletes must:

- 6.1. be a current member of SSNZ in good standing
- 6.2. hold a current New Zealand passport
- 6.3. hold a current 25/26 season SSNZ National Points licence and have points under 300.
- 6.4. be an active member of a SSNZ affiliated alpine ski racing club
- 6.5. exhibit good behaviour in a sports team environment (abide by Peak Respect principles)

7. Criteria

Selectors will assess athletes based on:

- 7.1. Overriding criteria - Ability to compete with credibility on the international stage.
- 7.2. Combined World Cup Points scored at the Coronet Peak Alpine Youth Champs (9-11 Aug), Mt Hutt National Points including Alpine Youth Champs Super G (29-31 Aug) and Cardrona (18-20 Sept) National Points races.
 - 7.2.1. For U16: Results from Slalom, Giant Slalom and Super G will be included in the combined total
 - 7.2.2. For U14: Results from Slalom and Giant Slalom will be included in the combined total
 - 7.2.3. The two worst results (DNS, DNF, DSQ or result) will be dropped from the total score independent of discipline
- 7.3. **Rankings** of the Alpine Youth Squad for each age and gender category shall be determined by Total World Cup Points less drops.
- 7.4. At their discretion, Alpine Youth Selectors will select the overall **size** of the Alpine Youth Squad taking into account both Criteria 7.1 and 7.2.

8. NZ Youth Reserve Athletes (Youth Reserve, YR)

YR was included to encourage racing opportunities for our Youth athletes not selected to the NZ Alpine Youth Squad but meet eligibility requirements.

- 8.1. When the NZ Alpine Youth Squad is announced in October, an opportunity to join the Youth Reserve Squad will be provided.
- 8.2. Where quota is available following EOI's (and review/confirmation by SSNZ) of the Youth Squad, Youth Reserve athletes will then be invited by SSNZ to provide their request to attend **one** FIS Children's race.
- 8.3. Ranking of YR athletes will be completed by Selectors based on available results and evidence provided including information provided in Section 8.4 and the athlete's SSNZ National Points.
- 8.4. Exceptional Circumstances:
 - In circumstances where an athlete does not have results from the 25/26 NZ Domestic season, the selection committee *may* choose to include them as **Youth Reserve** athletes based on appropriate documentation provided to describe exceptional circumstances. This documentation must be submitted to Erin McNary (erin@snowsports.co.nz) on or before **1 October 2025** and contain:
 1. Athlete name and SSNZ alpine ski racing club membership
 2. Description of Exceptional Circumstance
 3. Documentation including but not limited to:
 - Letter from doctor summarising injury and recovery
 - Recommendation letter from Programme director season successes and potential
 - Evidence of their international ranking and results
 - Documentation must be compiled into a succinct email or attachment
 - If Selectors approve to include athlete in the YR, they will be ranked based on evidence provided
 - If an athlete shows exceptional results (Podium in 2024/25 major Northern Hemisphere events), Selectors may add them to the Youth Squad

9. Requirements

Upon selection to the NZ Alpine Youth Squad:

- 9.1. Athletes are required to confirm their targeted events by close of business on November 15th, 2025

10. Appeals Process

An athlete may lodge an appeal with the SSNZ Chief Executive within 5 days of the Youth Squad announcement. All appeals must be submitted in written form.

- The SSNZ Chief Executive will attempt to respond to the athlete within one day (twenty-four (24) hours), but not later than five (5) days (120 hours) of lodgement of the appeal.
- The SSNZ Chief Executive will consult with the members of the relevant Selection Panel and any other person as may be deemed appropriate to properly respond to the athlete.
- An appeal by an athlete may only be made on one or more of the following grounds:
 - The applicable selection criteria have not properly been followed, applied and/or implemented.
 - The selection process was affected by actual bias.
 - There was no material on which the selection decision could reasonably be based.
- Determination of Appeal. Upon determination of the appeal the SSNZ Chief Executive shall communicate his or her decision together with an appropriate recommendation to both the ATC and the athlete.
 - If at the conclusion of the above process the athlete remains dissatisfied, the athlete may file an application for appeal with the Sports Tribunal of New Zealand ("Sports Tribunal"). Thereafter the appeal shall be determined in accordance with the Rules of the Sports Tribunal (see sportstribunal.org.nz).
 - The decision of the Sports Tribunal shall be binding on the parties and, subject to any right of review and/or appeal as set out in the Rules of the Sports Tribunal, no party to the appeal may institute or maintain proceedings in any Court or other Tribunal.
